Catalog #:	

This 4-foot LED Linear wraparound light replaces traditional 2-lamp 32W fluorescent wrap lights. This light uses integrated LEDs so there are no bulbs to change - the LEDs are rated to last the life of the fixture. Designed for long life-span, it is suitable for flush or suspension mounting (suspension mounting hardware sold separately). It is ideal for indoor commercial or residential applications such as basements, utility rooms, hallways, offices, and more.
